► PASSION, PROFESSIONALISM, and EXPERTISE—
Cross Bros. Co.

Since 1845, Cross Bros. Co. has prided itself on being the industrial leader in quality service, product knowledge and reliability. With an extensive inventory of conveyor belt, lacing and conveyor pulley lagging, hydraulic hose & fittings, power transmission equipment and rubber plow blades; Cross Bros. Co. is able to provide immediate solutions to our customers needs. In today's industries, down time is costly and being able to make "it" work or **get you the parts you need when you need them** is crucial in maintaining a strong relationship.
